Description of Incident:

Between 4/22/13 and 4/23/13, the Santa Cruz Sheriff's Office took three separate reports of a male suspect exposing himself to female students on their way to Soquel High School. Each of the students reported walking on the trail behind Soquel High School alone, when they saw an adult male standing off of the trail in the bushes, exposing himself while he masturbated. Deputies were called to the area, but did not locate the suspect.

On 04/24/13, Sheriff's Detectives conducted surveillance of the area to find the suspect. Detectives contacted Salvador Quinonez, who matched the description of the suspect in the same area. The victims positively identified Quinonez as the suspect who exposed himself. Detectives arrested Salvador Quinonez on three counts of indecent exposure and booked him into the Santa Cruz County Jail. Quinonez's bail was increased to \$50,000 due to the nature of his crimes.
